

American Red Cross

The American Red Cross will begin a second phase of financial assistance in January 2025 for people in Florida, Georgia, North Carolina, South Carolina, and Tennessee, whose homes were severely impacted by Hurricanes Helene and Milton. This second phase of financial assistance will allow people to continue their recovery, and these funds can be used to help offset the costs of recovery-related needs or impact.

[Hurricane Helene & Milton Bridge Financial Assistance | American Red Cross]
